Curriculum Vitae

Name:	Tracy P. Jackson
Office Phone:	615-322-4311
Office Fax:	615-322-9089
Office Address:	719 Thompson Lane; Ste 22209 Nashville Tennessee, 37204-3105
Work Email:	tracy.jackson@Vanderbilt.Edu

Education

1991 - 05/1995	B.S. in Biology with Highest Honors from University of North Carolina, NC United States
08/1995 - 05/2000	M.D. in Medicine with Distinction from University of North Carolina, NC United States

Training

06/2000 - 06/2001	Internship in General Surgery from University of North Carolina, NC
08/2001 - 06/2002	Post-Doc Research in Aneshesiology from University of Colorado Health Sciences Center, CO
07/2002 - 07/2004	Residency in Anesthesiology from University of North Carolina, NC
07/2004 - 07/2005	Chief Resident in Anesthesiology from University of North Carolina, NC
10/2006 - 10/2007	Fellowship in Pain Management from Stanford University, CA United States

Licensure and Certification

04/2006 - 12/16	Board, American Board of Anesthesiology United States
04/2010 - Present	Medical, Tennessee of Tennessee United States (42636)
04/2010 - Present	Board, American Board of Anesthesiology (Additional Certification in Pain Medicine)

Academic Appointments

11/2007 - Present	Assistant Professor of Anesthesiology, Vanderbilt University (Nashville, Tennessee)

Hospital Appointments

08/2005 - 10/2006	Private Practice - Staff Anesthesiologist, St. John's Medical Center (Jackson, Wyoming)

Other Work Experience

07/2008 - 07/2010	Associate Program Director, Multidisciplinary Pain Medicine Fellowship, Anesthesiology, Vanderbilt University Medical Center (Nashville, Tennessee)
07/2008 - 07/2011	Director, Residency Education, Division of Chronic Pain Management, Anesthesiology, Vanderbilt University Medical Center (Nashville, Tennessee)
07/2010 - Present	Program Director, Multidisciplinary Pain Medicine Fellowship, Anesthesiology, Vanderbilt University Medical Center (Nashville, Tennessee)
07/2011 - Present	Associate Medical Director, Outpatient Pain Clinics at One Hundred Oaks, Anesthesiology, Vanderbilt University (Nashville, Tennessee)
07/2012 - Present	Co-Director, EMPOWER program for Functional Restoration, Vanderbilt University (Nashville, Tennessee)

Professional Organizations

American Society of Anesthesiologists
Tennessee Society of Anesthesiologists
American Society of Regional Anesthesia and Pain Medicine
American Academy of Pain Medicine
Tennessee Medical Association, Member
Alliance for Surgery and Anesthesia Presence

Professional Activities

Intramural

2008 - Present	Physician Faculty Wellness Committee, Vanderbilt University, Designs interventions to prevent personal/professional impairment among physicians, including burnout, suicidality, addiction, misprescribing, boundary violations, anger management, etc.
2010 - Present	Vanderbilt Spine Center Advisory Board, Vanderbilt University
01/2011 - Present	Pain Advisory Committee, Vanderbilt University
01/2011 - Present	Member of the Clinical Executive Group (CEG) at the One Hundred Oaks Outpatient Clinics, Vanderbilt University
07/2012 - Present	EMPOWER program, In conjunction with Vanderbilt Center for Integrative Health, Co-chair committee for Collaborative Integrative Pain Management and development of a Functional Restoration Program at Vanderbilt called EMPOWER (Empowerment and Mindfulness Program for Outpatient WEllness, Education, and REhabilitation), Co-Chair
07/2012 - Present	Opioid Prescribing Task Force, Vanderbilt University, Committee for development of infrastructure to address projected repercussions of Tennessee Opioid Prescribing Guidelines and to track adverse public health outcomes via emergency department surveillance, Co-Chair

Extramural

2008 - Present	ASA Subcommittee on Chronic and Cancer Pain, American Society of Anesthesiologists
2009 - Present	Tennessee Medical Board-Expert Consultant, Tennessee Medical Board, Review cases brought before the Board related to overprescribing of controlled substances
2011 - Present	Reviewer for Regional Anesthesia and Pain Medicine
07/2011 - Present	Reviewer for Pain Practice
07/2011 - Present	Reviewer for Pain Medicine
10/2012 - 10/2013	ASA Educational Track Subcommittee on Pain Medicine for the 2013 Governance Year, American Society of Anesthesiologists, Member
12/2012 - Present	Tennessee Department of Health Advisory Board, Advisory committee tasked with drafting guidelines for clinical care, change in policy and legislation regarding opioid prescription to prevent misuse and diversion, Task Force

Research Supervision / Mentorship

07/2010 - 06/2011	Lindsey Tucker, M.D. Vanderbilt University Medical Center, Current Position: Resident. (Resident, General Mentorship)
07/2011 - 07/2012	Ryan Tomlinson (Resident, General Mentorship)
07/2012 - Present	Chris Sobey Current Position: Mentor. (Resident, General Mentorship)

Other Significant Activities

06/2010	Radio Interview: Radio Interview for Vanderbilt HealthLine: Interventional Solutions for Chronic Pain
04/2012	Newspaper article: Interview for The Tennessean newspaper. Tennessee Drug Database Can Help Doctors Spot Prescription Fraud. Tom Willemon. http://www.tennessean.com/article/20110427/NEWS07/304270089/1969/NEWS/TN-drug-database-can-help-doctors-spot-prescription-fraud
04/2013	TV segment: Live interview and call-in show on chronic pain topics sponsored by Vanderbilt Health Line and News Channel 5. Webcast available here: http://www.newschannel5.com/story/15296809/vanderbilt-healthline

Grants and Funding

Grant number unavailable	Jackson (PI)	05/0

Pfizer

Pfizer Research Fellowship for Pain

Funded but not acceptable based on Vanderbilt COI policy

Role: Principal Investigator

Total Cost: $50,000.00

Grant number unavailable	Tracy Jackson, MD and Sukdeb Datta, MD (PI)	2008 - 2009

Great Ideas in Vanderbilt Medical Education (GIVME)

An Evaluation of Educational and Clinical Outcomes after Implementation of an Innovative Multidisciplinary Pain Management Fellowship

Role: Co-Investigator

Total Cost: $2,500.00

Grant number unavailable	Tracy Jackson and Charlene Dewey (PI)	01/2012 - 05/2012

NIH

Curriculum Proposal for a Center of Excellence in Pain Education

Role: Co-Principal Investigator

Grant number unavailable	William Reynolds (PI)	2013 - Present

National Institute of Diabetes & Digestive & Kidney Disease

Natural History and Central Mechanism of Flares in Urological Chronic Pelvic Pain

Role: Co-Principal Investigator

Honors / Awards

1992	North Carolina Merit Award, University of North Carolina, Awarded upon regional qualification for the Morehead Scholarship
1995	Phi Beta Kappa, University of North Carolina
1995	Summer Studentship, Christchurch School of Medicine, University of North Carolina, $2000 grant to conduct research in Christchurch, New Zealand; awarded based upon outstanding research proposal
1995	Bristol-Myers Squibb Student Travel Award, University of North Carolina, Funding for travel to the Ninth Symposium of the Protein Society in Boston, MA; awarded based upon submission of an outstanding abstract for poster presentation at the meeting
1997	Medical Alumni Loyalty Fund Award 1997 & 2000, University of North Carolina School of Medicine, Awarded to the two students with the highest academic achievement
1997	Merit Award 1997-1998-1999-2000, University of North Carolina School of Medicine, Awarded to students receiving honors for the year
1998	Holderness Medical Fellowship, University of North Carolina School of Medicine, $4500 fellowship awarded to selected medical students as fundingfor independent research project
1999	Alpha Omega Alpha, junior year, University of North Carolina School of Medicine
2000	Janet M. Glasgow Memorial Award, University of North Carolina School of Medicine, Awarded by the American Medical Women's Association to the graduate with the highest academic achievement
2000	The Hugh Williamson Award, University of North Carolina School of Medicine, Inaugural award to the graduating senior who exhibits outstanding potential in the field of surgery
2004	Chief Resident, Anesthesiology 2004-2005, University of North Carolina School of Medicine
2008	Academic Achievement Award, Dept of Anesthesiology VUMC
2010	Academic Achievement Award, Dept of Anesthesiology VUMC

2011	Academic Achievement Award, Dept of Anesthesiology - VUMC
2012	Academic Achievement Award, Dept of Anesthesiology-VUMC
2013	Academic Achievement Award, Dept of Anesthesiology-VUMC

Publications

Peer Reviewed Publications

Research Articles

1. Cooper ST, Whinna HC, **Jackson TP**, Boyd JM, Church FC. Intermolecular interactions between protein C inhibitor and coagulation proteases. Biochemistry 1995 Oct;34(40):12991-7. PMID: 7548057.

Presentations

Invited Presentation - Local

1. Jackson, T.P., S.T. Cooper, and F.C. Church. University of North Carolina Department of Biology Student Research Symposium. University of North Carolina Department of Biology; Chapel Hill, North Carolina. 1995; Assessment of the protein C inhibitor-urokinase interaction and its role in prostate cancer.
2. Jackson, T.P., R.A. Royce, and J.M. Thorp. John B. Graham Student Research Day. University of North Carolina; Chapel Hill, North Carolina. 1998 Apr; Ethnic differences in vaginal flora during pregnancy.
3. Jackson, TP. Brain and Behavior Module. Vanderbilt University School of Medicine; 2010 Mar; Pain and Suffering.
4. Jackson, TP. Vanderbilt Community Physician Liason Program. Cool Springs Surgery Center; Franklin, Tennessee. 2010 Sep; Guidelines for Opioid Prescribing.

Invited Presentation - National

1. Jackson, T.P., S.T. Cooper, and F.C. Church. Ninth Symposium of the Protein Society. Protein Society; Boston, Massachusetts. 1995; Assessment of the interaction between urokinase and reactive site mutants of protein C inhibitor.
2. Workers Comp Symposium, National Web-Based Seminar with 750 participants nationwide. 2012 Aug 1; Pain Rehabilitation in the Injured Worker.

Invited Presentation - International

1. Jackson, T.P. and S.O. Brennan. Christchurch School of Medicine Student Research Symposium. Christchurch School of Medicine; Christchurch, New Zealand. 1995; Inhibition of proprotein convertases by recombinant plasma serpins.

Medically Challenging Cases

1. Walters, J, Todd RD, Jackson TP. American Society of Anesthesiologists. ASA; 2011 Oct; Idiopathic Peripheral Neuropathy Responsive to Sympathetic Nerve Blockade and Oral Clonidine.

University Talk

1. Jackson, TP. Vanderbilt University Medical Center CME event. 2010 May 13; Guidelines for Proper Opioid Prescription.
2. Presenter for local CME event for multidisciplinary rehabilitation. 2012 Oct; Faciltated Workshop for Development of a Functional Restoration Program Pilot at Vanderbilt.
3. Tracy Jackson, Meenal Patil, Laura Valdez. Vanderbilt CME event. Vanderbilt University; Nashville, Tennessee. 2013 Mar; Update on Regulations for Controlled Substance Prescription.

Internal Grand Rounds

1. Jackson, TP. Dept. of Rhematology Grand Rounds. Vanderbilt University Dept. of Rhematology; 2010 Feb; Opioid Prescription: Maximizing Benefit While Minimizing Risk.
2. Jackson, TP. Dept. of Rhematology Grand Rounds. Vanderbilt University Dept. of Rhematology; 2010 Apr 24; Evidence-Based Pain Management for Patients with Rheumatologic Disorders.
3. Jackson, TP. Anesthesiology Grand Rounds. Vanderbilt Department of Anesthesiology; Nashville, Tennessee. 2011 Jan; Proper Opioid Prescribing Practice.
4. Department of Internal Medicine Faculty Rounds. Vanderbilt Department of General Internal Medicine; Nashville, Tennessee. 2013 Nov 20; Understanding Central Sensitization.

Workshop

1. Jackson, TP. Vanderbilt Center for Professional Health. 2010; Prescribing Controlled Drugs Workshop-Participation via invited lecture, six times per year.
2. Jackson, TP. Medical Management of the Injured Worker VII. Vanderbilt Center for Corporate Health; 2010 Jun; Non-narcotic Approaches for Managing Chronic Low Back Pain.
3. Jackson, TP, Dewey C and Swiggart W. Association for Medical Education and Research in Substance Abuse (AMERSA).. 2010 Nov; Introductory Skills Workshop for Appropriate Screening, Surveillance, and Documentation for Patients Prescribed Opioids.
4. American Society of Anesthesiologists Annual Meeting. American Society of Anesthesiologists; Chicago, Illinois. 2011 Oct; Head and Neck Blocks: Flouroscopic & Ultrasound Cadaver Workshop.

Presentations at Scientific Meetings

1. R.A. Royce, T.P. Jackson, J. Thorp, T. McDonald, L. Pastore, and D.Savitz. 45th annual meeting of the Society for Gynecologic Investigation. Society for Gynecologic Investigation; Atlanta, Georgia. 1998 Mar; Factors associated with prevalence of bacterial vaginosis during pregnancy.
2. Lisa Pastore, K.E. Hartmann, J.M. Thorp, R.A. Royce, D.A. Savitz, T.P. Jackson. Society for Pediatric and Perinatal Epidemiologic Research Annual Meeting. Society for Pediatric and Perinatal Epidemiologic Research; 1999 Jun; Clinical Risk Scoring System for Antenatal Bacterial Vaginosis.
3. Tracy P. Jackson, Cathleen Peterson-Layne, and Philip Boysen. ASA Annual Meeting. Poster presentation at the ASA 2004 Annual Meeting; 2004 Oct 24; Impact of Clinical Competencies in the Resident Recruitment Process.
4. Jackson TP and Damon Michaels. Vanderbilt Medical Education Research Day. 2009 Oct 2; Educational Intervention Following a Survey of Opioid Prescribing Practice.
5. Jackson, TP, Dewey C and Michaels D. ASA Annual Meeting. ASA; 2010 Oct; A Survey of Opioid Prescribing Practice at an Academic Medical Center in Tennessee.
6. Lonergan, Daniel F.; Todd, R. David; Martin, Peter R.; Jackson, Tracy P. American Society of Anesthesiologists Annual Meeting. American Society of Anesthesiologists; Chicago, Illinois. 2011 Oct; Utilizing a standardized opioid withdrawal protocol for intentional intrathecal pump detoxification.

External Grand Rounds

1. Eastern NC Dental Study Club CDE event. Eastern NC Dental Study Association; New Bern, North Carolina. 2013 Mar 4; Long in the Tooth and Down in the Mouth: Chronic Dental Pain.
2. Department of Anesthesiology Grand Rounds, University of North Carolina; North Carolina. 2013 Sep; The Cost of Opioids: Painful Lessons from Tennessee.
