08/1998 - 04/1999 Pre-Med from David Lipscomb University, Nashville, TN
08/2000 - 05/2004 M.D. in Medicine from University of Tennessee Health Science Center, College of Medicine, Memphis, Tennessee

Training

07/2004 - 06/2005 Internship in Transitional from Methodist University Hospital, Memphis, Tennessee
07/2005 - 06/2008 Residency in Anesthesiology from St Lukes-Roosevelt Hospital of Columbia University, New York, New York

Licensure and Certification

05/11 State Medical License, TN State Medical License of Tennessee United States (MD44550)
12/2019 Specialty, American Board of Anesthesiology United States (43873)

Academic Appointments

07/2009 - Present Assistant Professor of Anesthesiology, Vanderbilt University (Nashville, Tennessee)

Hospital Appointments

07/2008 - 06/2009 Assistant Professor of Anesthesiology, Anesthesiology, College of Physicians and Surgeons, Columbia University (New York, New York)

Professional Organizations

2010 ASA, Member
2010 Society for Airway Management
2010 Society for the Arts in Healthcare
2015 Society for Ambulatory Anesthesia

Professional Activities

Intramural

04/2016 - Present QMMI, Anesthesiology, Ambulatory rep

Teaching Activities

06/9 - Present
06/9 - Present Anesthesia Introduction for the EM Residents
03/11 - Present Airway Management, As part of the MAS morning lecture series, I discussed difficult airway management outside the OR, demonstrating transtracheal block and awake nasal intubation.

05/11 - Present	anesthesia h&p, New Ca-1s were observed performing an H&P and given feedback/guidance on performance.
06/11 - Present	Airway 101, As part of the rising CA-1 orientation lecture series, I gave an introductory lecture on airway evaluation and management.
06/2009 - Present	Local Anesthetics, A monthly lecture for the 3rd yr medical students on the Anesthesia rotation given as an introduction to local anesthetics.
06/2009 - Present	Intravenous Anesthetics, A monthly lecture for the 3rd yr medical students on the Anesthesia rotation given as an introduction to i.v. anesthetic agents.
11/2010 - Present	Aniticholinergics, A lecture on anticholinergics as part of the MSA morning lecture series.
08/2011 - Present	Critical Care Skills Week: Electrolyte/Metabolic/ABG, lecturer, CELA
09/2011 - Present	Benzos and Flumazenil, lecturer
09/2011 - Present	Etomidate, lecturer
09/2011 - Present	Intravenous Anesthetics, lecturer
09/2011 - Present	Intravenous Anesthetics, lecturer
10/2011 - Present	Neuromuscular Blockers, lecturer
